WELCOME TO FIN CARE FOUNDATION

- The fin care foundation aims at the development of individual, family and community through a well-integrated helping process and to take over as an ongoing fin care foundation started by social association for development, a voluntary organization formed as an association of various development projects.
- It also aims to promote personal, family, community, regions and general development effecting women understanding and fellowship and to integrate education with social, economic and other activity. Fin care foundation also intend to integrate, take over other social service projects and to initiate programs of employment generation and poverty alleviation in world.
- If you have truly longing to cross the financial hurdles and to spend quality time with your family and friends or if you want to raise your living standards and to lend a helping hand to those friends and relatives of yours who are yet to realize such a dream.
- Fin care foundation helping scheme is a unique and well rewarding scheme based in values like trust and mutual understanding.it works on the basic custom of exchanging donations at critical hospital cases, financial liability etc. here fin care has devised such a helping programs which is destined to help you earn more and strengthen your relationships in the society.

Who We Are

- A beginning well-made, now needs more hands.
- Helping Hand Foundation is one of few organizations that's working tirelessly with weaker sections, in bridging health inequity through its various programs and interventions. It was launched by a likeminded team of professionals with the aim and intent of to facilitate accessible and affordable to the disadvantaged sections of the society.

What We Do

- Helping People Rise Above
- We are an organization which hopes to be a catalyst for change. We aim to help and support the less fortunate members of our community holistically. We believe that empowering people by our support can help them improve their habits and bring good change to their lives. SMART Giving
- We help you find a greater way to give.
- Helping Hands is all about helping you give in the best way possible. We connect you with the cause that has been placed on your heart and assist you in making sure that your support is set up in the most beneficial way for that cause and for you. We help you find a Greater Way to Give so that you are able to do more. It's that simple.

THANKS

- Together, we can achieve what we cannot achieve alone.
- We reach across borders to celebrate and support each other. By working as a united movement, we can build a world where justice for all is a reality.
